INTRODUCTION

We are thrilled to invite you to the 11th iteration of your favorite academic conclave in the Indian Dermatology calendar - the DAAS (Dermatology And Allied Specialities) Summit. Over years, the DAAS Summit has established itself as a premier event that focusses on multidisciplinary learning and brings together top experts, researchers and professionals from the fields of Dermatology, Internal Medicine, Pediatrics, Gynecology, Rheumatology, Endocrinology, Intensive Care, Plastic Surgery, Microbiology, Immunology etc.

The Scientific Committee has crafted a thoroughly engaging program keeping Clinical Dermatology practice at the centre stage. The summit assures an unparalleled opportunity to learn about the latest breakthrough advances and emerging trends in Clinical and Procedural Dermatology, as well as an opportunity to connect with peers, exchange ideas and forge new collaborations.

With a rich program of highlight panel discussions, exceptional keynote speeches, and workshops with an expert personal touch, the DAAS Summit promises to be engaging and informative keeping up its tradition.

Topics will range from common problems in clinical practice to cutting edge research on skin disorders and treatments, and innovative techniques in dermatosurgical procedures.

The conference will also feature a vibrant exhibition hall where leading companies will showcase their latest products and services, offering the delegates the chance to explore new technologies and solutions to enhance their practice.

More than a decade along, our legacy has not decayed. Join us in the DAAS Summit, and discover new opportunities to advance your knowledge, skills and networking.

Looking forward to meet you there!

Organizing President
Dr. R.P. Gupta

Scientific Chairpersons
Dr. Shyam Verma, Dr. Archana Singal

Organizing Secretary
Dr. Rohit Batra
